FOUR PART POLKA (Roll out the Risers)
to the tune of "Beer Barrel Polka"

There's a chorus, what a chorus, only happy people sing there,
And there's never any room there for a worry or a gloom there.
Oh! There's music and there's dancing,
And some melodies romancing,
And when they play the pitchpipe, we all begin to sing.

Every time we hear the basses sing (hear us sing)
Tenor, Baritone they make chords ring (ring ring)
And then the Leads will guide our way,
it's four part harmony this way.

When we hear the rumble on the floor (on the floor)
It's a set of risers, maybe four
So we can stand and make chords ring
(make chords ring)
For miles around they'll hear us sing (we sing).

Roll out the risers (bum bum ba bum bum)
We'll have a barrel of fun (lots of fun)
Roll out the risers
(roll the risers)
Four parts are better than one (did-ee um-bum-bum)

Sing all together (and sing to-gether)
Ring out a song of good cheer. (good cheer)
Now's the time to roll the risers, for the gang's all hear!

Now's the time to roll the risers, and we'll sing all night! HEY!
